

SQI COLLEGE OF ICT

THE SCHOOL OF PRELIMINARY STUDIES.

2025/2026 ADMISSION INTO PRE-NATIONAL DIPLOMA (PRE-ND) PROGRAMMES

ADMISSION REQUIREMENTS

Candidates seeking admission into the Pre-ND Programme should be:

1. Secondary School Graduates.
2. Candidates with deficiencies in key subjects are encouraged to apply, as remedial support is provided during the programme.
3. Candidates awaiting or with an incomplete O'Level result, and candidates preparing to write another O'Level examination.
4. Candidates who have not written JAMB or did not do well in JAMB.
5. Candidates below the admissible age.

DURATION OF THE PROGRAMME

- The Pre-ND Programme runs for a minimum of one (1) academic session, divided into two (2) semesters.
- The program will run for 8 months, with lectures scheduled from 8:00 am to 12:00 pm.
- Successful candidates who meet the required academic standards will be eligible to progress to National Diploma (ND) programmes.

REGISTRATION PROCESS

To commence the application and register for the Pre-ND

- 1). Visit sqi.edu.ng/admission
- 2). Click on "[Register for Pre-ND](#)" to go to the registration page

3). Create an account if you do not have one already.

- a. Fill up your details (Please note: Enter only a valid personal phone number and email address, then create your password. Ensure to use a password that you can easily remember)
- b. Click on Dashboard at the top left corner of the admission portal and select the “pick course” option.
- c. Under the Select a Campus option, select **Ogbomoso campus**.
- d. Select your programme of choice under the “Select a program” option.
- e. Pick your preferred course under the “select department & level” option and proceed to “save course”.
- f. Proceed to pay your **application fee of 10,000 NGN** by clicking “Okay” on the pop-up message.
- g. Click on “Pay” to make a payment using your Debit Card

4) If you already have an account:

- Click on Sign in, input your email and your password, and then carry out the process from 3b. – 3g.

5) Click on the “Personal Info” option and proceed to fill in the required information (Ensure you input the appropriate information where necessary).

6) Click on the “Education” option in the tabs, select the “Add result” option, and proceed to input your O’level results (where applicable). *Kindly omit the “post-secondary educational institution record” option.*

7) Click on the “Referee” option in the tabs, select the “Add referee” option, and provide a minimum of 2 referees. The referee is someone we can contact or be responsible for you. (your Parent, Guardian or a Close-Relative is appropriate).

8) Proceed to upload the necessary personal and academic documents for admission on the “credential upload” option in the tab, and select “Add upload”. Enter the name of your upload, then choose the Upload type in the top-right corner to select the upload type (O’level result, JAMB registration and result slip (if applicable), Testimonial, Local government ID, Birth certificate or declaration of age, Passport photograph, and any other available documents).

9) Prepare and get ready for the Pre-ND Screening.

Note: When you have completed all the above steps, the college shall communicate further details to you via your contact number and email address.

BENEFITS OF THE PRE-ND PROGRAMME.

The Pre-ND Programme is an intensive preparatory programme structured to:

1. Equip students with the foundational knowledge required for the National Diploma Program.
2. Candidates receive priority admission on the merit list.
3. Improve candidates' academic performance, especially in core subjects.
4. Prepare candidates for the next JAMB and O-Level examination.
5. Access to digital workspace proficiency and early exposure to ICT-based skills.
6. Understand and settle into higher-level academic settings.
7. Prepare candidates for ND-admission, examinations, and assessments.
8. Develop candidates' soft skills for effective performance and growth in the modern tech world.

MODE OF STUDY (Full-Time)

Lectures are delivered through a blend of classroom instruction, practical laboratory sessions, and ICT-based learning.
